

## Northern California Conservation Planning Partners

# Habitat Conservation Planning From Tahoe to the Bay

## Fourteenth Annual Workshop

**Wednesday October 19th 2016**

**9:00 am to 3:45 pm**

**Ulatis Community Center, 1000 Ulatis Dr, Vacaville**

### [Workshop Program, Registration Form and Travel Directions](#)

County and sub-county scale Habitat Conservation Plans and Natural Community Conservation Plans are in preparation or being implemented in a number of counties in the San Francisco Bay Area and the Sacramento Region. These plans provide a means for the conservation of endangered species and contribute to their recovery, while allowing appropriate, compatible growth and development in the metropolitan areas.

This workshop will provide essential information, ideas and discussion opportunities for the wide range of stakeholders, consultants and government personnel involved in the development of regional conservation plans, and for all citizens who are concerned about these issues.

**We hope you will join us on October 19th 2016**

## The Northern California Conservation Planning Partners

**Butte Regional Conservation Plan  
East Contra Costa County Habitat Conservancy  
Placer County Conservation Plan  
San Joaquin HCP
