

Habitat Conservation Planning From Tahoe to the Bay – November 19th 2014

## **The Challenge of Funding Habitat Conservation Beyond Mitigation**

**Acquisition of substantial additional acres in fee title or in perpetuity conservation easement is needed over the next 30 - 50 years.**

**How can we obtain sufficient funds ?**

# **Very approximate state-wide totals for 10 major NCCPs**

## **Acres still to protect**

- “Local” contribution 75,000**
- Federal / state contribution 140,000**

# **Very approximate state-wide totals for 10 major NCCPs**

## **Acquisition costs**

**In millions of dollars**

- **“Local” contribution** \$ 700 m
- **Federal / state contribution** \$1,600 m
